## Sunday 5<sup>th</sup> September 2021 – Serpentine Tractor Museum

Well. What can you say? Just a perfect spring morning in Paradise. Fresh, but not a cloud in the sky as the more fortunate among us came together at Ye Olde Narrogin Inne at Armadale.

Checking in with Secretary Peter, a few words from the President with respect to the route with Ray Boreham on his BMW dragooned as Tail End Charley and off we went pretty much spot on time.

No speed limits were broken - in fact most of them were barely approached - as we set out on a quiet toddle through the lush, green flatlands West of the railway line. Once off the Southwest Highway and through the all-too common roadworks on Thomas Road, there was hardly a vehicle to be seen and we could just putt along and enjoy the scenery. Due to the President's thoughtlessness, there was a bit of a mix up with corner markers on the first corners. Two new members on their first ride with the club were not familiar with the procedures and el Presidente had not had the foresight to drum them up before the ride. Nevertheless, all turned out okay and we all arrived safely at the Hugh Manning Tractor Museum.

Once at the museum we were greeted by the always obliging staff and the wonderful secretary, Denise. We were also greeted by a fabulous spread including tea, coffee, sausage rolls, party pies, spring rolls and the most fantastic scones with jam and cream baked by Maureen, who unfortunately was unable to be there on the day. It appeared that members were reluctant to forsake the sunshine and enter the museum until Denise went out and 'whipped them in'. A quick head count showed 25 lucky members, but I guess other members were spending Father's Day with families and we hope they had a great day.

A brief meeting was held after everyone had something to eat and a tea or coffee. Members were then free to roam the premises to view the many exhibits, which now includes a very comprehensive shearing exhibition, and to soak up some of the large amounts of facts and information given by the very knowledgeable staff who were also ready to fire up a tractor or two at the drop of a decompression lever.

All in all, a marvellous morning, and for many of us the prospect of a beautiful, warm, and sunny ride home. Don't be surprised to see this one show up again on next year's ride calendar.

The attendees were (in no particular order):

Roland (**Honda**), Terry (**Norton**), Neil (**Kawasaki**), Richard Blackman (**Velocette**), Richard Browne-Cooper (**Triumph**), LittleJohn (**Moto Guzzi**), Peter (**Triumph**), Ian (**Kawasaki**), Frank and Lee (**Honda**), Chris (**Rickman Honda**), Hugh (**Honda**), Denis (**Kawasaki**), Kevin (**Honda**), Keith (**Honda**), Mick (**Suzuki**), Russell (**Suzuki**), Stuart (**Triumph**), Simon (**Suzuki**), Mick (**AJS**), Dave (**Honda**), Alan (**Yamaha**), John Milton (**Triumph**), Ray (**BMW**), Mark (**Triumph**).

Gordon and Lynda, and Ian came by car and Gary met us there.

Other visitors were Archie and Freddie, both on **Suzukis**.

## Sunday 19<sup>th</sup> September 2021 – BSA Lunch Run

A small but dedicated crowd of riders turned out for this extra ride for the BSA enthusiasts in the club. John Milton organised a run through the hills from Kalamunda to the Elizabethan Village in the Hills behind Armadale, and we all set off down the Weir Road, accompanied by the evocative odour of Castrol R from Kevin's 1929 flat-tank Norton (we weren't all on the Armoury Road products). He says it's for upper cylinder lubrication, but we all know it's just for the smell. John had an electrical problem with the B50 Gold Star so the ride was shortened a little, and about three quarters of an hour after leaving Kalamunda we were in the beer garden ordering a pint of the dark and some pub tucker.

A very pleasant way to while away a couple of hours on a Sunday afternoon, and I suspect there may be a few more of these bijou rides in the future.

Enjoying the day on their BSA's were Terry (CB34 GS), Peter (A10SR), Mick (A10), Stuart (Y13), John (B50GS) and Mark Henson (A10RGS). Also along were Kevin (1929 Norton), Ray (Norton Dominator 88), Clive (1950 Norton), Toni (Triumph 3TA) and Mark Bradfield with his son William (Suzuki). Vince came along in a car as backup.

## Next Ride: Sunday 3<sup>rd</sup> October 2021 – Three Dams Run.

**Time:** Meet at 8:30 for an 9:00 Start  
**Meeting Point:** KFC Carpark, Mundaring

A do-over for the washed-out April ride. Always a popular affair which should be exemplary in October with the green things green and the colourful things colourful and plenty of water in the courses.

For those who don't want to go all the way to Mundaring for the start, we will have a stopover at the Pickering Brook store, (Crn Canning Road and Pickering Brook Road) at about 9:30.

Our Registrar, Stuart Elvidge, will be carrying out an audit of our Code 404 register in the near future, and owners of concessionally licensed bikes can expect to be asked to confirm the bikes they have on the register. We urge you to reply as soon as you can so we can ensure that the club complies with the DoT requirements.
